EXECUTIVE OFFICER CANDIDATE GUIDELINES

Oregon DECA Executive Officer Candidacy Guidelines

Oregon DECA is allowed to nominate up to two candidates for Executive Office: One for Executive President and one for Western Region Vice President. Because running for Executive Office is an exceptional opportunity, Oregon DECA requires that all candidates interested in running for Executive Office be approved by the Executive Officer screening committee (committee members are appointed by the State Staff and Board of Trustees) before they are eligible to run for Executive Office.

The purpose of this document is to outline the Oregon DECA Executive Officer Screening Process. Candidates must abide by ALL requirements outlined in this document. Failure to comply with any of the requirements listed in this document could result in the candidate not being allowed to run for Executive Office. However, it is possible for a candidate who has complied with all of the requirements in the packet to be denied the chance to run for Executive Office if in the opinion of the Board and Executive Director they feel that the candidate is unprepared to campaign or would be unable to faithfully and effectively serve as an Executive Officer if elected.

Because Oregon DECA is only allowed to nominate one candidate for each of the two positions of Executive President and Western Region Vice President, the Executive Officer Candidate Screening Process also serves as a selection process when more than one Oregon DECA member desires to run for the same position (e.g. two Oregon DECA members want to run for Western Region Vice President). Selection of the candidate who will represent Oregon DECA in seeking that position will be based on the candidate's fulfillment of the requirements in this document as well as their past performance, accomplishments, commitment to DECA, quality of campaign goals/platform, organization of campaign materials, the candidate's perceived chances of being successfully elected to fill the position desired, and the candidate's perceived ability to faithfully and effectively serve if elected to Executive Office.

If approved by the screening committee a requirement of remaining an approved candidate is working closely with the Oregon DECA State Officer Coach and State Staff throughout each step of the candidate preparation process and abiding by the Oregon DECA Code of Conduct. This includes, but is not limited to, submitting for approval all campaign plans, designs of materials, organizational charts, booth designs, meeting all deadlines, and generally collaborating with the Oregon DECA staff throughout the process. Failure to do so could result in the candidate being removed as a candidate for Executive Office.

The following are the requirements that must be complied in order for a candidate to be eligible to run for Executive Office. *(Oregon DECA reserves the right to amend these requirements upon due notification to officer candidates up to and until one week prior to the scheduled screening interview.)*

EXECUTIVE OFFICER CANDIDATE GUIDELINES

1. Candidates MUST notify the Oregon DECA Executive Director, Brycen Woodley, of their intent to seek Executive Office and therefore participate in the Executive Officer Screening Process no later than December 1. If no reply is received within 24 hours the candidate should call Oregon DECA to confirm that the email was delivered.
