# LEADERSHIP COUNCIL

OREGON  
DECA™

## **OREGON DECA LEADERSHIP COUNCIL**

Oregon DECA is composed of over 1,500 statewide. In order for Oregon DECA to thrive at its full potential, it needs the active engagement between local chapters. The Oregon DECA Leadership Council was created to bridge the gap between the state office and local chapters. The Leadership Council brings together the Oregon DECA state officer team and members from local chapters around Oregon.

The Leadership Council will be more effective as more members from local chapters join. With more ideas and thoughts, Oregon DECA can aim to build more efficient and successful chapters. With engagement the Leadership Council is offering, members are able to relate and connect with their state officers.

Through the Leadership Council, Oregon DECA will:

- Create opportunities for chapter leaders to assist the state officer team with planning and coordination of conference functions and activities, including serving as on-site ambassadors and assisting with conference duties.
- Keep chapters informed about state and national programs, initiatives, and opportunities (membership progress, advocacy updates, new chapters, service initiatives, etc.).
- Update chapter leaders on any changes to competitions, events and conferences, and other important updates.
- Provide opportunities for local chapters to report on their successes and progress towards chapter goals.
- Create an environment that encourages and promotes idea sharing and best practices so chapters can learn from each other for the benefit of the greater membership of Oregon DECA.

The Leadership Council does not take the place of chapter visits and direct support to each chapter from the state officer team. The state officers are still excited to meet with each chapter individually!

## LEADERSHIP COUNCIL STRUCTURE

Chapters officers and members from all over Oregon can sign up, to serve on the Leadership Council. The Leadership Council meets throughout the year in the format of video conference calls between the council members and state officers.
